14  
15                   **DECLARATION OF JOINT INVENTORS**

16                   **FOR PATENT APPLICATION CLAIMING**

17                   **PRIORITY ON PRIOR FILED FOREIGN APPLICATIONS**

18  
19               As a below named joint inventor, I hereby declare that:

20               My residence, post office address and citizenship are as stated below next to my  
21 name.

22               I believe I am the original, first and joint inventor of the subject matter which is  
23 claimed and for which a patent application is sought on the invention entitled: SYNTHESIS  
24 OF GERMANIUM SULPHIDE AND RELATED COMPOUNDS, for which a U.S. National  
25 Stage Patent Application from PCT Patent Application No. PCT/GB2004/004293, which was  
filed on October 8, 2004 is being filed herewith under 37 C.F.R. § 371.

              I hereby state that I have reviewed and understand the contents of the above-identified  
specification, including the claims.

1 I do not know and do not believe that the invention was ever known or used in the  
2 United States of America before my invention thereof.

3 I do not know and do not believe that the invention was in public use or on sale in the  
4 United States of America more than one year prior to this application.

5 This application discloses and claims subject matter disclosed in our earlier filed, co-  
6 pending Patent Cooperation Treaty ("PCT") application serial number PCT/GB2004/004293,  
7 filed 8 October 2004, and which names the United States of America as a designated country.  
8 PCT application number PCT/GB2004/004293 in turn claims priority to United Kingdom  
9 (Great Britain) Patent Application Serial Number GB0323805.2, filed in The United  
10 Kingdom on 10 October 2003.

11  
12 **CLAIM TO PRIORITY UNDER 35 USC § 119, 120, 363 & 365(C):**

13 I hereby claim the benefit of priority benefits under Title 35, United States Code, §§  
14 119, 120, 363, and/or 365(c), to any United States patent application, or any national  
15 application(s), or any international application(s) filed under Title 35, United States Code,  
16 § 363 which designates the United States, listed below and insofar as the subject matter of  
17 each of the claims of this application is not disclosed in the prior patent application(s) in the  
18 manner provided by the first paragraph of Title 35, United States Code, §112, I acknowledge  
19 the duty to disclose material information as defined in Titled 37, Code of Federal  
20 Regulations, §1.56(a) which occurred between the filing date of the prior application(s) and  
21 the national filing date of this application:

22  
23 Patent Cooperation Treaty ("PCT") application serial number PCT/GB2004/004293

24 Filed: 08 October 2004

25 Status: Co-pending.

1           Serial Number:                   GB0323805.2  
2           Country:                        The United Kingdom (Great Britain)  
3           Day/Month/Year Filed:        10 October 2003  
4           Status:                         Co-pending  
5

6           As to the subject matter of this application, which is common to said earlier  
7 application(s), I do not know and do not believe that the same was ever known or used in the  
8 United States of America before our invention thereof or patented or described in any printed  
9 publication in any country before our invention thereof, or more than one year prior to said  
10 earlier application, or in public use or on sale in the United States of American more than one  
11 year prior to said earlier application;

12           The common subject matter has not been patented or made the subject of any  
13 inventor's certificate issued before the date of said earlier application(s) filed by me or my  
14 legal representatives or assigns more than twelve months prior to said earlier application; and

15           As to the applications for patents or inventor's certificate on the common subject  
16 matter filed in any country foreign to the United States of America, prior to said earlier  
17 application by me or my legal representatives or assigns, I hereby claim foreign priority  
18 benefits under Title 35, United States Code, §119 of any of the aforementioned foreign  
19 application(s) for patent or inventor's certificate and have also identified above any foreign  
20 application for patent or inventor's certificate having a filing date before that of the  
21 application on which priority is claimed.  
22

23           I hereby declare that all statements made herein of my own knowledge are true and  
24 that all statements made on information and belief are believed to be true; and further that  
25 these statements were made with the knowledge that willful false statements and the like so  
made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

United States Code and that such willful false statement may jeopardize the validity of the application or any patent issued therefrom.
